- Encourage your colleagues and associates to give at a level that is appropriate for their circumstances.
- Encourage associates to give online at **BSMHgiveforgood.com**.

Key messages

- Your donation through the Give for Good Campaign will help your local foundation meet vital needs for patients, associates and the community.
- Your donations support programs and services in your market. Funds remain local to meet needs in areas like patient care and community health services or you can give to a ministry-wide fund like the Caring for Our Own Fund for associate hardships.
