FAQs

How does my gift impact my community?

Your donations empower the Foundation to support projects and initiatives for our communities, especially aiding our most vulnerable patients. Funds stay local to address pressing needs.

How much should I give?

Please consider a gift at a level that is comfortable and meaningful to you.

What if I donated earlier this year?

If you made a new gift(s) in 2024, your participation is counted toward the Give for Good Campaign, and you may receive Called to Shine points based on your giving. However, consider pledging your 2025 support during this year's campaign.

What if I have an existing ongoing recurring gift?

If your gift from a previous campaign is recurring, there's no need to renew for the 2025 pay cycle. If you are interested in modifying your donation, any changes submitted will replace your current gift.

When are payroll deductions taken?

- One time and PTO – November 2024
- Per Pay Period (Power Hour, Half Hour Hero, and Lead for Good included) – Starting January 2025, continuing each 2025 pay period.

Can I donate the value of Personal Time Off (PTO)?

Non-exempt (hourly paid) associates may donate PTO.
