FAQs

How does my gift impact my community?

Your donations empower the Foundation to support projects and initiatives for our communities, especially aiding our most vulnerable patients. Funds stay local to address pressing needs.

How much should I give?

Please consider a gift at a level that is comfortable and meaningful to you.

What if I donated earlier this year?

If you made a new gift(s) this year, your participation is counted during this campaign. You may receive incentives based on your giving level.

What if I have an existing ongoing recurring gift?

If your gift from a previous campaign is recurring, there's no need to renew for the 2027 pay cycle. If you are interested in modifying your donation, any changes submitted will replace your current gift.

When are payroll deductions taken?

- One time and PTO – November 2026
- Per Pay Period (Power Hour, Half Hour Hero and Lead for Good included) – Starting January 2027, continuing each 2027 pay period.

Can I donate the value of Paid Time Off (PTO)?

Non-exempt (hourly) associates may donate PTO during the campaign. Exempt (salaried) associates are not eligible to donate PTO due to IRS regulations.
