What is the BSMH Foundation?

The BSMH Foundation operates in 13 communities across five states, allowing donors to support critical local health care needs with confidence.

Every donation stays local, supporting vital programs like patient care, community health services, or ministry- wide funds such as the Caring for Our Own Fund, which assists associates facing hardships.

What is Give for Good?

Give for Good is BSMH's annual associate giving campaign. It all kicks off with THE BIG GIVE on Wednesday, August 26th and runs through September 30th.

Whether it's through payroll deductions, a one-time gift, or donating PTO, giving is easy and meaningful.

Together, let's make this campaign a success and continue strengthening our communities!
